

TruVent®
HIDDEN VENT SOFFIT

Great design with superior ventilation.

TruVent® Hidden Vent Soffit beautifully combines form with function. It's crisp, clean lines give the distinctive look of real wood slats, while providing superior ventilation.

Intelligent Design. Simply Brilliant.

- The unique I-Beam construction was engineered for optimum strength.
- The trapezoidal cross sectional shape maximizes rigidity.
- The patented angle slot design hides vent holes, while providing additional stiffness.
